PROFESSIONAL SUMMARY

Undergraduate student at Aswan University with a growing foundation in Artificial Intelligence, Machine Learning, Data Analysis, and AI-powered applications. Developing practical skills through learning projects across data analytics, classification, computer vision, and generative AI, alongside training and student initiatives. Interested in AI Engineering and data-focused opportunities, with strengths in problem-solving, communication, teamwork, and continuous learning.

EDUCATION

Aswan University — Faculty of Commerce | Aswan, Egypt
Bachelor's Degree, Accounting & Business Management Program | 2025–Present

TECHNICAL SKILLS

Programming: Python, SQL, HTML5, CSS3, JavaScript

AI & Machine Learning: Artificial Intelligence, Machine Learning, Deep Learning, Computer Vision, Image Processing, Classification, Generative AI, LLMs, RAG, Prompt Engineering

Libraries & Data: Pandas, NumPy, Scikit-learn, OpenCV, Matplotlib, Seaborn

Analytics & Tools: Power BI, Excel, Jupyter Notebook, Google Colab, Kaggle, Git, GitHub, Responsive Design

Professional: Problem Solving, Critical Thinking, Communication, Presentation, Leadership, Teamwork, Time Management, Adaptability

SELECTED PROJECTS

AI-Powered Medical RAG System: Explored a question-answering workflow over trusted medical documents, including PDF text extraction, document preparation, chunking, retrieval, and connecting retrieved context to AI-generated responses.

Bank Marketing Subscription Prediction: Classification learning project using customer and campaign data to predict term-deposit subscriptions; planned workflow includes preprocessing, Logistic Regression, Decision Tree, Random Forest, and evaluation using precision, recall, and F1-score.

Computer Vision: Image Classification: Learning project exploring image processing and model-based classification of visual content using Python and OpenCV.

Supermarket Sales Analysis: Data analytics learning project focused on exploring sales data, identifying patterns, and translating findings into business insights using Python, Pandas, visualization tools, SQL, Excel, and Power BI.

AI Campaign — Egypt El Kheir Olympics: Developed an AI-assisted campaign concept and promotional content, including sports-focused visual concepts and promotional video ideas.

Personal Portfolio Website: Created a responsive portfolio website using HTML, CSS, and JavaScript to present interests, skills, projects, certificates, and contact information; published through GitHub Pages.

TRAINING & CERTIFICATIONS

- Certificate of Excellence — Top 5 Teams
- Introduction to Generative AI
- Data Science Landscape
- AI for Digital Marketing: Applications in Online Business
- Database Fundamentals
- Python Programming Basics
- TechUp Explorer
- AI For Everyone (AI4E)
- Introduction in Artificial Intelligence — Edraak
- Business Analysis Basics — Simplilearn SkillUp (27 October 2026)
- Introduction to Machine Learning Course — Orange Digital Center (35 hours; 11–25 October 2026; Grade: 95.90%)
- Understanding Artificial Intelligence — DataCamp (1 November 2026)
- Introduction to Python — DataCamp (2 November 2026)
- Machine Learning Operations (MLOps) for Generative AI — DataCamp (3 November 2026)
- HCIA-AI V4.0 Course — Huawei ICT Academy (13 September 2026)
- HCIA-Big Data V3.5 Course — Huawei ICT Academy (26 September 2026)
- Start Your Career in Digital Marketing — Mahara-Tech (ITI; 4 May 2026)
- Microsoft Power BI — M3aarf Platform, with Learn With Dr Abdelrahman (2 June 2026)
- Attendance Certificate — Employability Skills (Module I), Be Ready 1M, Professional Development Center, Aswan University (31 December 2025–29 June 2026)

LEADERSHIP & VOLUNTEERING

- APEL — Aswan Practical Engineering Lab: HR Committee Member and HR Lead for the Media Committee | Aswan, Egypt | October 2026–Present.
- Enactus Aswan — Human Resources Committee.
- Life Makers Foundation — Training Committee Leadership.
- EYE — Ministry of Youth and Sports of Egypt.
- URE Entrepreneurship — HR Coordinators.
- International Students Union (ISU) — HR / Public Relations.

- Deputy Coordinator — Sanad Shabab El-Saeed.
- HR Committee Member — Sonaa El Hayah Families, Aswan University.
- Volunteer and community initiatives with the Ministry of Social Solidarity, Egypt Defense Youth, Raei Misr Foundation, Hayah Karima Foundation, Resala Charity Organization, National Alliance for Civil Development Work, and community event teams.
